

Just purchased a computer? Need help?

Try our On-Site Setup or Training

Showtime will send a "one-on-one trainer" to your home or office to help you set up your computer system no matter where you bought it.

We will help you to:

Assemble your system and components install all Updates
Check the operating system and the software for you
Test all the components (CPU, monitor, CD-ROM, speakers and printer etc...)

We will show you:

How to properly start and shut down the system
How to properly maintain your computer
How to access the installed programs
How to install new software properly
How to navigate in Windows
How to setup, access the Internet and send and receive e-mail

AND ANSWER ANY QUESTIONS THAT YOU MAY HAVE.

We will spend 2 hours with you in your home or office and do what we can to get you started and enjoying your new system.

* This service is available to you no matter where you purchased your system.

Just give us a call at 603-882-5400

Cost \$99.00*

* mileage may apply if outside of Nashua / Hudson area.
